Thanks though a small word but expresses my indebtedness to Almighty ALLAH whose countless blessing helped me at every turn of my life to accomplish whatever I wish.

My gratitude extends to more people than can be identified in this space. I am very thankful to my advisor Ms. Moneeba Iftikhar for guiding and supporting me very patiently throughout the advertising campaign; her kind supervision and appreciation always revitalized my energies whenever I got tired by my tedious job and to do justice with my research work.
